### Home page

### Sign up page

The screenshot shows the sign-up page of the application. The page has a light blue background. The title 'Sign Up' is at the top. Below the title are four input fields: 'Username', 'Roll Number', 'Email', and 'Password'. Each field has a placeholder text: 'Enter username', 'Enter roll number', 'Enter Email', and 'Enter Password'. Below the input fields is a checkbox labeled 'Remember me' which is checked. At the bottom of the form are two buttons: 'Cancel' (red) and 'Sign Up' (green). Below the buttons is a link that says 'Already registered user [signin](#)'.

### Sign in page

The screenshot shows a web browser window with the address bar displaying 'localhost:5000/signin'. The page content is a simple sign-in form. At the top, the text 'Sign in' is displayed in a large, bold, black font. Below this, there are two input fields: one for 'Email' with the placeholder text 'Enter email', and one for 'Password' with the placeholder text 'Enter Password'. To the right of the password field is a checkbox labeled 'Remember me'. Below the input fields are two buttons: a green 'sign in' button and a red 'Cancel' button. The browser's developer tools are open at the bottom, showing the 'Elements' panel with the HTML structure of the page.

Welcome page

A screenshot of a web application titled "News Tracker Application". The header is a solid teal color with the title in white. Below the header is a dark grey navigation bar with links for "Entertainment", "Technology", "Sports", and "World". The main content area is white and divided into two columns. The left column has a section titled "About Me" with a placeholder for a photo. The right column has a section titled "TITLE HEADING" with a placeholder for a title description and date. Both sections have a large grey rectangular area below the text, likely for an image or content.
